

## Application for Board Approval from the Society for the Advancement of Consulting

Board Approvals will be created as SAC deems them appropriate, including upon request from members. We will publicize these and include them on our web site. No additional designations will appear other than "Board Approved in..." in SAC literature and on the SAC website. The member may choose to use this in their own marketing and literature as they so choose, and we provide a SAC Board Approved logo badge for this purpose.
